

CLIMATE CHANGE FUND

Terms of Reference

OVERVIEW

1. The primary aim of this fund is to provide funding for initiatives in the Isle of Man that support the objectives of achieving net zero carbon emissions by 2050 or any interim target. Commitment to the fund was given by the Council of Ministers in the Phase One Climate Change action plan.
2. The Funds will be available to Designated Bodies through the Climate Change Transformation Team and Board.
3. Bids are invited and considered where the costs and potential carbon emissions reductions are clearly defined (where possible), and where the key deliverables underpin the delivery of the Council of Ministers Climate Change Plan by reducing greenhouse gas emissions and increasing sequestration.
4. Bids for Capital funding should be directed to the Climate Change Mitigation Initiatives Fund, which has a separate Terms of Reference.

GOVERNANCE

5. A business case is required to support all submissions. The business case should outline the total set-up cost, revenue implications, carbon reduction impact and any co-benefits for the environment, economy or island community. VAT and contingency costs should not be included.
6. The business case must identify the specific relevant initiatives in the Climate Change Plan or alignment to the Climate Change Act and demonstrate the application's contribution to that initiative/requirement.
7. All bids from should have approval from the Designated Finance Officer, Accountable Officer and Minister/Chair of Board (Ministerial/Board approval is subject to a de-minimis level of £100,000).
8. Bids up to £25,000 are considered and approved by the Accountable Officer of the Department of Environment, Food and Agriculture, subject to cumulative approvals of up to £250,000 within the 12 month period preceding approval date. These bids must be notified to Treasury and the Climate Change Transformation Board.
9. Bids above £25,000 and up to £50,000 are additionally considered and approved by the Climate Change Transformation Board, subject to cumulative approvals of up to £500,000 within the 12 month period preceding approval date. These bids must be notified to Treasury.
10. Bids between £50,000 and £100,000 are considered and approved by the Climate Change Transformation Board and signed off by either the Executive Director – Financial Governance or Chief Financial Officer. All approvals must be notified to Treasury.

11. Any bids between £100,000 and £250,000 are to be considered and approved by the Climate Transformation Board and approved by the Treasury Board.
12. Bids between £250,000 - £500,000 should be considered and approved by the Climate Change Transformation Board and the Treasury Board. They also require notification to the Council of Ministers.
13. Any bids over £500,000 are to be supported by the Climate Transformation Board and approved by the Treasury Board. They also require formal approval from the Council of Ministers.
14. Bids from Treasury will require support from the Climate Change Transformation Board.
15. Bids from Treasury up to £250,000 will be approved in accordance with the governance process above with Council of Ministers being informed of the decision.
16. Bids from Treasury over £250,000 will be endorsed by the Treasury Board in accordance with the governance process above but will require approval from the Council of Ministers.

ELIGIBILITY CRITERIA

17. All eligible projects must support the overall objective of the Climate Change Transformation Programme, *namely / specifically*,
 - a. To achieve Net Zero *Carbon* Emissions by 2050 or the interim targets; either through the reduction of Carbon (and other Greenhouse Gas) Emissions within one of the key emissions sectors, or through providing a significant contribution to carbon sequestration
 - b. To implement the actions which fall out of the Climate Change Act and associated legislation; an enabler to achieving net zero carbon emissions by 2050
 - c. To deliver actions identified in the Council of Ministers Climate Change Plan
18. Should the intention be for some or all of the funds to be paid to a third party supplier, it is essential that this expenditure complies with both Financial Regulations and the open and fair principles that underpin public sector procurement. Where third-party expenditure is being considered, Procurement Services must be engaged at the very earliest opportunity and certainly in advance of any formal request for funds.
19. The fund cannot be used to support projects that encourage the use of fossil fuels.
20. Drawdowns from the Fund will only be made available after it has been demonstrated that the Designated Body will not produce an underspend within the current financial year.
21. All bids will be time-limited and extensions will require formal in line with the decision thresholds identified above. It is the responsibility of the Department to ensure this.
22. Bids that involve ongoing revenue expenditure are not eligible for funding.
23. Approvals are not transferrable between projects and a new business case will be required for each new initiative.

CLIMATE CHANGE– MITIGATION INITIATIVES FUND (CAPITAL) (CCMIF)

Terms of Reference
